

BRST01
Tool Kit

These are the tools normally provided and fitted to bike repair stations BBR501 and BBR502, they are also available as replacement tool kits.

Notes: Each tool is secured using a blue plastic-coated steel cable and crimped with an aluminium ferrule. Spare tool kits are supplied with the tool pre-attached to the security cable and crimped at both ends.

Tools can be purchased separately or as a set (BRST01). Spare tools are available in full sets to replace vandalized or stolen tools.

Optional high security and vandal resistant tool sets available using 5mm (0.2") galvanized chain.

BRPA02

Foot Pump Assembly

Industrial grade foot pump supported by a frame. It is located within the main structure to protect it from vandalism.
